ARTICLE 1 – PURPOSE

- 1.01** The purpose of this Agreement is to maintain the efficient and harmonious working relationship between the Management and its unionized employees and to set forth the general working conditions and wages applicable to the specific employees, and to provide a means of presenting complaints and grievances formally between the two (2) Parties.
- 1.02** In this Agreement "employee" means a person hired by the Management for a position which comes within the Bargaining Unit described in the recognition clause contained herein and who is on the active payroll of the Management.
- 1.03** The Parties agree that whenever the masculine, feminine or singular has been used throughout this Agreement, it shall be deemed to include all expressions of gender identity or the plural where the context so allows or requires.

ARTICLE 2 - RECOGNITION & SCOPE

- 2.01** The Management recognizes the Union as the sole and exclusive bargaining agent for all employees in that physical area known as the Toronto Zoo and its immediate environs, which includes barns either leased or operated by the Management, save and except Supervisors; Curators; Systems Administrators; Assistants to the Chief Executive Officer, Chief Operating Officer, Executive Directors, Senior Directors and Directors and any other person performing confidential and labour relations functions in the Human Resources Branch who has access to confidential information; Payroll Supervisor; Nursing Staff; Safety & Security Officers; Administrative Support Clerk.

ARTICLE 3 – NO DISCRIMINATION

- 3.01** Neither the Management nor the Union, nor any representative of either Party shall discriminate against, interfere with, restrict or coerce any employee because of any participation or lack of participation in any Union activity.
- 3.02** No employee shall be required to make a written or oral agreement with the Management which conflicts with the specific terms of this Collective Agreement.
- 3.03** The employer agrees that there will be no discrimination, interference, restriction or coercion exercised or practiced with respect to any person in the matter of hiring, wage rates, training, upgrading, promotion, transfer, layoff, recall, discipline, classification, discharge or otherwise by reason of age, race, creed, colour, nationality, ancestry, place of origin, political or religious affiliation, sex or marital status, sexual orientation, family status, disability, place or residence, nor by reason of their membership or activity in the Union.
- 3.04** Every employee has the right to be free from harassment in the workplace and from any reprisal or threat of reprisal for the rejection of such behaviour.

Management may consider using an outside third party to conduct internal harassment investigations of a serious nature.

Therefore the Parties agree that they will give their full support to the spirit and intent of the protection of the Ontario Human Rights Code, 1981, as amended, and/or any other legislation that may be enacted from time to time, and the Management's Official Policy on Human Rights and Harassment in the Workplace (PER-011) for the purpose of protecting or strengthening these rights.

- 3.05** Employees who are related, or become related,
- (a) May not work in the same immediate work Unit;
 - (b) May not work under the same direct Supervisor; and
 - (c) May not report one to the other.

A relation, for the purpose of this Clause, includes spouse, common-law partner, parent (natural, stepparent, legal guardian or in-law), sibling (natural, stepsibling or in-law), and child (natural, stepchild, legal guardian or in-law). Management reserves its right to resolve conflicts of interest that might otherwise arise between two (2) close relatives employed by the Toronto Zoo.

ARTICLE 4 – RESERVATION OF MANAGEMENT'S RIGHTS

- 4.01** Save and except any Clause in this Collective Agreement, the Management shall have the absolute right to increase or decrease the establishment, to schedule, direct, recruit, discharge, classify, transfer, promote, demote, maintain order, discipline and efficiency and without restricting the generality of the foregoing, select, acquire, install and operate any equipment, plant, and machinery as it deems necessary.

ARTICLE 5 – CONTRACTING OUT OF WORK

- 5.01** It shall be the policy of the Management to endeavor to place in another position any permanent employee who may be displaced by technological improvements in the operation of the Toronto Zoo.
- 5.02** It is Management's intention that before contracting out any Control Centre work, the Management shall give notice to the Union, in writing of such intention in order that the Union may make representations to the Management. No permanent employee in the Bargaining Unit who has eight (8) or more years' seniority shall lose their employment because of the contracting out of work by the Management.

ARTICLE 6 – UNION CONDITIONS

- 6.01** The Management will inform every new employee of the existence of the Collective Agreement and direct their attention to Articles 6.02, 6.03, 6.05.
- 6.02** All employees not exempted by the Collective Agreement shall become members of the Union upon commencement of employment and thereafter shall remain as such members in good standing, according to the Constitution of the Canadian Union of Public Employees.
- 6.03**
- (a) The Management will deduct the regular monthly Union dues and initiation fees, special levies and assessments from the wages of all employees in the Bargaining Unit from the first (1st) bi-weekly pay following the date of employment and thereafter from every bi-weekly pay.
 - (b) The Management shall notify the Recording Secretary of the Union on the first (1st) corresponding pay date following the commencement of employment of all new Bargaining Unit employees, their names, their Supervisor's names and date of hire.
 - (c) The Management shall introduce all new Bargaining Unit employees to their Shop Steward and allow not more than fifteen (15) minutes of working time for the Shop Steward to inform the new member about Union activities, as soon as practical.
- 6.04** The Management shall forward such deductions to the Secretary-Treasurer of the Union not later than thirty (30) days following said deductions, and a list of the employees from whom the deductions were made will accompany such remittance.
- 6.05** The Management shall not be required to discharge any employee who has been expelled or suspended from membership in the Union.
- 6.06** The Union shall save the Management harmless for any and all amounts deducted from employees' earnings in accordance with the terms in this Article.
- 6.07** The Management shall notify the Recording Secretary of the Union within five (5) working days, of all terminations, resignations, transfers, transfers outside of the Bargaining Unit, promotions and leaves of absence in excess of one (1) week granted to members of the Bargaining Unit.
- 6.08** There will be no Union meetings at the Zoo site without the express written consent of the Chief Executive Officer or their designate.
- 6.09** The Union may use the Management's bulletin boards on which to post notices, provided such notices are first approved by the Chief Executive Officer or their designate.

ARTICLE 7– NO STRIKES OR LOCKOUTS

- 7.01** During the term of this Collective Agreement, the Union agrees that it will not strike, and the Management agrees that there will be no lockout, as those terms are defined in the Ontario Labour Relations Act, 1995.

ARTICLE 8 – UNION REPRESENTATION

- 8.01**
- (a) The Union may select a member of the Control Bargaining Unit to represent the Bargaining Unit at negotiations. The Management shall recognize such Negotiations Committee when the Union informs the Management of their names in writing. Each day of negotiations shall be considered the regular day shift for all Union Negotiations Committee members.
 - (b) The Management will provide during the duration of this Collective Agreement three (3) days to each member of the Union Negotiations Committee for the purpose of preparing proposals for Collective Bargaining. Pay shall be at regular hourly rates, for a regular work day and shall only be applicable if the employee was scheduled to work on that day. Time off must be requested at least one (1) week in advance.

- 8.02** The Management will pay the Union Negotiations Committee members their regular wages while participating in negotiations with the Management during the employees' regular working hours. If the employees are scheduled to work other than a regular day shift, or have a scheduled day off on the day of a negotiation meeting, appropriate arrangements will be made through their Supervisor. Each day of negotiations shall be considered the regular day shift for all Union Negotiations Committee members.
- 8.03** For discussion of complaints and/or grievances, a Grievance Committee consisting of not more than three (3) employees shall represent the Union. The Management shall recognize such Grievance Committee consisting of the President, 2nd Vice President of Labour Management, and Chief Shop Steward, or designate.
- 8.04**
- (a) Employees selected to act as Union officers shall not neglect the regular duties they have to perform in order to participate in Union activities without the prior consent of their Supervisor.
 - (b) The Management will pay the Union officers their regular wages while participating in direct meetings with the Management provided this amount does not exceed a total of twelve (12) working days or ninety-six (96) hours per year to be distributed among all Union officers as the Union sees fit.
 - (c) This compensation shall not apply to Union meetings, or arbitration meetings held during the employee's regular working hours.
- 8.05** A National Representative of the Union shall have the right to visit the property of the Management, provided that the Representative shall obtain prior consent by telephone or in writing to the Chief Executive Officer or Human Resources Manager or their designate by giving reasonable advance notice and provided further that such visit does not interfere with the operation and administration of Management.

ARTICLE 9 – COMPLAINT AND GRIEVANCE PROCEDURE

- 9.01**
- (a) Within twenty (20) working days following the circumstances giving rise to a complaint having occurred or when it ought to have reasonably come to the attention of the employee, the employees shall verbally bring to the attention of their immediate Supervisor or their designate, any complaints they may have and may request a Union representative to be present. The immediate Supervisor shall reply within five (5) working days. If the decision of the immediate Supervisor or their designate is not acceptable, any complaint must be presented to the Management within ten (10) working days after receiving the Supervisor's answer. The Management may refuse to consider any complaint not presented within the ten (10) working days mentioned above.
 - (b) Any disciplinary action or notice given to an employee or employees must be given within ten (10) working days of the Management becoming aware of the incident, provided the employee is at work. Such time may be extended by the number of days an employee is absent from work during the ten (10) day working day period.
- 9.02** If the complaint of an employee cannot be resolved with their immediate Supervisor, then the matter becomes a grievance which shall be placed in writing, dated, and signed and presented to the Chief Executive Officer, or their designate, within the ten (10) working day period set out in Article 9.01 (a) above, and shall be processed as follows:

STEP 1

The Union shall present the written grievance, signed by the employee, to the Chief Executive Officer, or their designate, and there shall be a written reply to the grievance within ten (10) working days of receipt.

STEP 2

If the written reply is not acceptable to the Union, then there shall be a meeting within ten (10) working days of receipt of the written reply. The meeting will include the grievor, a Union committee, a full time representative of the Union, if requested by either party, the grievor's Supervisor, and the Chief Executive Officer or their designate. A written decision shall be given to the Union within ten (10) working days following the meeting. If this decision does not resolve the grievance, then any request for arbitration must be made within ten (10) working days following receipt of the written decision by the Union.

- 9.03**
- (a) If a complaint or grievance affects a majority of employees in the Bargaining Unit then the matter may be presented by the Union at Step 2 of the grievance procedure within ten (10) working days of the circumstances giving rise to the grievance.
 - (b) Similarly if the Management has a complaint or grievance concerning the conduct of the Union or its committee member or members, then this may be presented to the Union at Step 2 of the grievance procedure within ten (10) working days of circumstances giving rise to the grievance. Either of these grievances may proceed to arbitration if necessary.
 - (c) **Policy Grievances**
Where a dispute involving a question of general application or interpretation of the Collective Agreement occurs, a policy grievance may be filed by the Union, commencing at Step 2 within twenty (20) working days of the circumstances giving rise to the grievance.

- 9.04** No matter may proceed to arbitration without being properly carried through the steps of the grievance procedure outlined above.
- 9.05** Any grievance alleging unjust discharge or suspension shall be treated as a special grievance if it is placed in writing, dated and signed and presented directly to the Chief Executive Officer or their designate within ten (10) working days of the occurrence at Step 2 of the grievance procedure. The matter shall proceed from there, including arbitration, if necessary.
- 9.06** Any of the time limits set out may be extended by mutual agreement between the Parties involved. For purposes of this Article, working days shall be Monday to Friday inclusive.
- 9.07** Copies of all written replies from Management related to any step of the grievance procedure, shall be forwarded to the Recording Secretary of the Union. A copy will also be sent to the Chief Shop Steward.
- 9.08** It is understood by both the Union and Management that they may mutually agree to refer a grievance to mediation prior to proceeding to arbitration. It is understood that the costs of the mediation will be on an equal cost-sharing basis.

ARTICLE 10 – ARBITRATION

- 10.01** (a) Where a difference arises between the Parties relating to the interpretation, application, or administration of this Collective Agreement, including any question as to whether a matter is arbitrable, or when an allegation is made that this Collective Agreement has been violated, either of the Parties may, after exhausting the grievance procedure, notify the other Party, in writing, of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the first Party's suggestion for an arbitrator. The recipient of the notice shall, within five (5) working days, inform the other Party of the name of its suggestion of an arbitrator.
- (b) Either Party may request the Minister of Labour, Training and Skills Development for Ontario to appoint an arbitrator under Section 49 of the Ontario Labour Relations Act, 1995 or other sections of the Act as may be applicable from time to time, in order to expedite the settlement of any grievance.
- 10.02** If the recipient of the notice fails to suggest an arbitrator or if the Parties fail to agree upon an arbitrator within the five (5) working day limit, the appointment of an arbitrator shall be made by the Minister of Labour, Training and Skills Development for Ontario, upon the request of either Party.
- 10.03** The Arbitrator shall hear and determine the difference or allegation and shall issue a decision which shall be final and binding upon the Parties affected by it.
- 10.04** The payment of and powers of an Arbitrator shall be as outlined in the Ontario Labour Relations Act, 1995.
- 10.05** The decision of the Arbitrator shall be final, binding and enforceable on all Parties. The Arbitrator shall not have the power to change this Agreement nor to alter, modify or amend any of its provisions, nor to consider any matter not specifically contained in the Agreement, nor otherwise make any decision inconsistent with this Agreement which expresses the full and complete understanding of the Parties on remuneration, benefits and working conditions.

ARTICLE 11 – DISCHARGE OR DISCIPLINE

- 11.01** (a) Copies of any discharge or written disciplinary notices shall be given to the Union and the employee within two (2) working days. Such disciplinary notices shall be removed from an employee's work record after one (1) year of issue, provided there has been no recurrence or other cause for written disciplinary notices.
- (b) An employee may request to have one (1) Union Steward present during any disciplinary meeting.
- Management will make every reasonable effort to comply with any request for a Union Steward, provided such a request does not unreasonably delay any disciplinary proceedings or violate the disciplinary or discharge provisions set out in 11.01 (a).
- It is understood that the absence of a Union Steward at disciplinary meetings does not negate, or void, any disciplinary action taken by Management.

ARTICLE 13 – SENIORITY

- 13.01** Seniority is defined as the length of service of an employee and shall be a factor in determining preference or priority for promotions, transfers, layoff and recall. New employees shall be on probation and shall not acquire seniority until they have worked a total of twelve (12) months in an eighteen (18) month period from date of hire. Seniority, once acquired shall date back to the date of hire. The Management may terminate the employment of probationary employees at its discretion.

- 13.02** Where an employee is on authorized unpaid leave of absence for purposes unrelated to their job, they shall continue to accumulate seniority only for the first (1st) seventeen (17) weeks of such leave and not for the remainder thereof.
- 13.03** The Management shall maintain seniority lists showing the seniority in order of all Union employees. The list will be revised every January and copies will be posted on all bulletin boards and digital platforms that are accessible to all employees and a copy will be sent to the Union.
- 13.04** (a) Seniority, once acquired, shall be lost and the employment of the employee terminated if:
- (i) The employee resigns or is discharged and not reinstated;
 - (ii) The employee overstays any leave of absence or is absent without leave without a satisfactory reason;
 - (iii) The employee is on layoff and is not recalled to work within twenty-four (24) months or fails to return to work at the same or like classification within fourteen (14) calendar days following notification by registered mail (except in the event of a national, regional or rotating strike or postal lock out or otherwise) or by courier service, to the last known address following layoff. Employees shall have the responsibility to keep the Management informed of their current address and telephone number. The term "like classification" shall not be taken to mean that the hourly rates are similar. It is understood that an employee is not required to have a telephone as a condition of employment.
- (b) Upon return from layoff, within the above specified time period, the previously accumulated seniority and sick credits will be retained.
- (c) New employees shall not be hired until those laid off, with "Recall Rights", have been given the opportunity of recall.
- 13.05** (a) In the event that employees have to be laid off, the Management shall consider the following two (2) factors to determine which employee or employees are to be laid off.
- (i) Seniority of employees
 - (ii) Ability to perform the available work

Where these factors are relatively equal between two (2) or more employees, their seniority ranking shall govern.

Employees shall be recalled from layoff based on their seniority, providing they have the ability to perform the available work.

- (b) Unless legislation is more favourable to the employees, the Management shall notify the Union and the employees who are to be laid off, at least thirty (30) calendar days prior to the effective date of layoff. If the employee has not had the opportunity to work the days as provided in this Article, they will be paid for the days for which work was not made available.
- (c) An employee, who has received notice of layoff shall elect one (1) of the following:
- (i) To accept layoff and be placed on the recall list;
 - (ii) To accept a voluntary exit package, if offered by the Management;
 - (iii) To accept early retirement if eligible;
 - (iv) To exercise their seniority rights to displace an employee in the manner described in Clause 13.06 below; or
 - (v) To choose a vacant position.
- (d) Where there are two (2) or more employees identified for layoff, employees shall choose in order of seniority from the options available in 13.05(c).
- 13.06** (a) Where an employee elects to displace another employee in accordance with 13.05(c)(iv), the employee shall, provided that the employee is qualified and has the ability to perform the work required and possesses more seniority than the employee identified below:
- (i) Displace the most junior permanent employee in the same classification; or, if multiple grades exist within the employees own classification;

-
- (ii) Displace the most junior permanent employee in the employee's same grade and classification or if this is not possible, then;
 - (iii) Displace the most junior permanent employee in the next lower grade (one (1) grade below the employee's own grade) within the employee's own classification, or if this is not possible, then;
 - (iv) Displace the most junior permanent employee, in the next lower grade (two (2) grades below the employee's own grade) within the employee's own classification, or if this is not possible, then;
 - (v) Displace the most junior permanent employee, in the next lower grade (three (3) grades below the employee's own grade) within the employee's own classification.
 - (b) In the event that an employee is unable to exercise their seniority rights in accordance with Clause 13.06(a)(i)-(v), the employee will be laid off and their name placed on the recall list.
- 13.07**
- (a) During the period in which an employee is on layoff, such person shall not be entitled to the benefits provided under this Agreement, other than the rights provided for under this Article. Notwithstanding the above, an employee in receipt of benefits at the time of layoff shall have the option to continue health and dental benefits under Article 20 for a three (3) month period following layoff. If an employee elects this option, they shall pre-pay to the Management the full cost of such benefits in a manner prescribed by Management.
 - (b) An employee who makes application for a job posting pursuant to Article 13 either prior to being laid off, or after they have been laid off, shall proceed in such job posting in accordance with Article 13. The right to apply and/or proceed in such job posting shall not extend beyond the period of recall as set out in Clause 13.04(iii).
- 13.08** The employee shall be advised of their right to have Union representation at meetings the Management holds with affected employees during the processes under this Article.
- 13.09** In the event that an employee has received notice of layoff as a direct result of contracting out, the following provisions shall apply:
- (i) Employees who are placed in a lower paying grade, within the employee's classification, as a result of operation of this Article shall maintain their current rate of pay for a period of twenty-four (24) months following placement. After twenty-four (24) months, employees will be paid the highest level in the lower paying grade.
 - (ii) In the event that an employee who does not have eight (8) or more years' seniority is unable to exercise their seniority rights in accordance with Clause 13.06(a)(i)-(v), the employee will be laid off and their name placed on the recall list.
 - (iii) In the event that an employee who has eight (8) or more years' seniority is unable to exercise their seniority rights in accordance with Clause 13.06(a)(i)-(v), the employee will be maintained as supernumerary at their current rate of pay until such time as such a position, described in Clause 13.06(a) becomes available.
- 13.10**
- (a) If requested by the employee, an opportunity to review the results of an examination, as part of a competition, will be given within one (1) month of their writing the examination.
 - (b)(i) If an employee is temporarily transferred to a position outside of the Bargaining Unit, they shall continue to pay union dues for six (6) months. An employee transferred or promoted to another position in a different classification, or out of the Bargaining Unit, will be required to serve a trial period of three (3) months in that position. In the event of the employee's performance being considered unsatisfactory or should the employee be unsatisfied during this trial period the employee will revert to their former position.
 - (ii) An employee shall have a right to return to a position in the Bargaining Unit; such return shall not result in the layoff or bumping of any employee. If at any time an employee returns to the Bargaining Unit, they shall be placed in a job consistent with their experience and qualification, except as outlined in (b)(i) above.
 - (c) In the event an employee transferred out of the Bargaining Unit under 13.06 (b)(i) above is returned to the Bargaining Unit within a period of six (6) calendar months, they shall accumulate seniority during the period of time outside the Bargaining Unit.
 - (d) An employee who is transferred to a position outside the Bargaining Unit shall not, subject to (c) above, accumulate seniority. In the event the employee is returned to a position in the Bargaining Unit within thirteen (13) months of the transfer they shall be credited with the seniority held at the time of transfer and resume

accumulation from the date of their return to the Bargaining Unit and they shall be placed in a job consistent with their experience and qualifications. An employee not returned to the Bargaining Unit with twelve (12) months shall forfeit Bargaining Unit seniority.

13.11 In order that the operations of the Union will not become disorganized when layoffs are made, members of the Union's Executive Board and Negotiations Committee shall be the last persons laid off during their term of office.

13.12 The Management agrees that where an employee is absent from work as a result of a non-occupational injury, they shall suffer no loss of seniority should they elect to receive benefits from their insurer rather than utilize their Leave-for-Illness or Injury accumulation or Illness or Injury Plan.

ARTICLE 14 – HOURS OF WORK

14.01 Nothing in this Collective Agreement shall be misconstrued to mean a guarantee of work or pay or as a restriction on the number of hours to be worked.

14.02 In accordance with operating requirements, employees may be scheduled to work nine (9) days in one (1) two (2) week period and eleven (11) days in the next two (2) week period, with no overtime premium applicable. The number of working days in two (2) pay periods will be averaged so as to arrive at regular pay of eighty (80) hours for a two (2) week period, provided the employee worked all scheduled days.

14.03 A meal time of half (½) hour duration shall be paid. However, it is agreed that employees shall remain on call and are subject to assignment, without prior notice, if operational requirements so dictate. There shall be two (2) paid rest breaks of ten (10) minutes each, one (1) in each half (½) of the shift. The times and location in which paid lunch period and rest periods are to be taken, shall be assigned by Management at its discretion.

14.04 The work schedule of each employee shall be set forth by the Management and posted convenient to the employee on regular bulletin boards and digital platforms that are accessible to all employees. Management shall make reasonable efforts to post a minimum four (4) week work schedule at least four (4) weeks in advance and forty-eight (48) hours' notice of any change in the schedule shall be given to the employee in writing unless mutually agreeable to do otherwise.

14.05 For hours worked in excess of their regularly scheduled hours per day or per week, the employee shall receive payment at a rate of time and one half (1 ½) their current rate of pay or lieu time at the rate of one and one half times (1 ½).
